

VENUE CERTIFICATION

This is to certify that the _____ (*name of venue*) which was rented for the _____'s (*unit/organization*) project titled _____ (*project title*) has been selected to meet very specific production requirements (i.e. stage design features and layout, general audience area layout and capacity) for the successful staging of the said project.

As per OICA Board Resolution, grants can only be awarded to projects that will be undertaken within the UP Diliman Campus, thus the grantee has not canvassed for equivalent venues outside of UP Diliman. Additionally, there are no other venues within UP Diliman that is suitably comparable to merit a qualified comparative canvassing. (Please see attached requirements).

This certification is being issued to facilitate the processing of payment for the said venue which is being charged to the Cultural Funds under the UPD-OICA Grant Program.
